SECTION VI

A. NON-ACCEPTANCE OF COMMISSION ADVICE :

During the year under report, the Government have deviated in 2 cases from the Commission's advice. The details are as follows:-

Case No. 1: G.O.Ms. No. 460, Health and Family Welfare Department, dated 8th April 1996.

During May 1995, the Government in the Health and Family Welfare Department sought the views of the Commission on the appeal preferred by a Civil Surgeon, Government Peripheral Hospital, K.K. Nagar, Chennai against the orders of the Director of Medical Education, Chennai imposing on him the penalty of stoppage of increment for six months without cumulative effect. The Commission in the course of examining the case observed that the appellant though has put in 25 years of service has not acted with any responsibility. It shows that he has been very careless and has not followed even the ordinary procedure in applying for leave by his failure to furnish the leave address in the leave application. For such serious lapses the punishment awarded is only stoppage of increment for six months without cumulative effect, which cannot be considered as excessive. The appeal does not contain anything either to alter or to cancel the punishment already awarded. The Commission therefore advised the Government that the appeal be rejected as devoid of merit in September 1995.

The Government have now issued orders in G.O. Ms. No. 460, Health and Family Welfare Department, dated 8th April 1996 by deviating from the views of the Commission to allow the appeal preferred by the appellant and to modify the punishment of stoppage of increment for six months without cumulative effect imposed on the appellant by the Director of Medical Education into that of 'Censure'. The Government have relied upon the following reasons for deviating from the Commission's advice:—

"There is no doubt that the appellant had failed to furnish the leave application in time and had not intimated the leave address. Though it has been construed as unauthorised absence, he had applied leave only for 29 days from 30-7-1993 to 27-8-1993. For the spell of 29 days of leave taken by him and submission of leave application belatedly, the punishment of stoppage of increment for six months without cumulative effect on him by the Director of Medical Education is excessive. The period of leave availed by the appellant is relatively shorter and he had not done it intentionally. Taking these factors into consideration the Government have decided in deviation of the views of the Commission to allow the appeal and to modify the punishment of stoppage of increment for six months without cumulative effect on the appellant by the Director of Medical Education into that of 'Censure'.

Case No. 2: G.O. (D) No. 887, Health and Family Welfare Department, dated 3rd July 1995.

During December 1994, the Government in the Health and Family Welfare Department sought the views of the Commission on the disciplinary action taken against Tutor in Microbiology at Coimbatore Medical College, Coimbatore for her unauthorised absence from duty. The Commission after examining the case had pointed out certain procedural flaw and advised the Government to rectify the defect and to return back the case with connected records again for its views. The procedural flaw pointed out to the Government is that the deposition of the delinquent Officer before the Enquiry Officer is considered as one of the vital records and failure to record the deposition during the enquiry is a case of denial of opportunity to the delinquent Officer.

The charges framed against her were (1) unauthorised absence from duty from 12-3-1986 to 20-4-1988 and again from 23-4-1988 to 20-7-1989, (2) disobeyal of the orders of higher authorities.

The Government instead of carrying out the views of the Commission, directly passed orders, against the Commission's views imposing her a punishment of stoppage of increment for 3 years with cumulative effect, in G.O. (D) No. 889, Health and Family Welfare Department, dated 3rd July 1995 stating that, in the oral enquiry held on 24-4-1992 the delinquent officer had deposed before the Enquiry Officer. But the delinquent Officer did not insist upon making any statement to be recorded and hence that there is no question of denial of reasonable opportunity to the delinquent officer, and also by relaxing F.R. 18 (3) in her favour. According to F.R. 18 (3), if a Government servant proceeded on leave or absents from duty for more than one year, he/she should be removed from service. But the Government have stated in the final orders that the delinquent Officer after resuming duty has been regular in her attendance for the past 6 years and hence the Government have taken a lenient view and decided to impose a punishment other than removal from service on her in relaxation of F.R. 18(3) and accordingly imposed the punishment of stoppage of increment for 3 years with cumulative effect by relaxing F.R. 18 (3) in her favour.

The following are the deviations/lapses on the part of the Government:—

1. The Government have not acted as per the views of the Commission. The Government have deviated from the views and passed the final orders on the delinquent Officer on its own.

2. The Government have not sent a copy of the Commission's views to the delinquent officer along with the final orders.

3. Final orders have been passed by the Government by relaxing Rule F.R. 18(3) in favour of the delinquent Officer.

B. **NON-CONSULTATION WITH THE COMMISSION - NIL.**

C. The details of the number of cases in which the Government have not accepted the Commission's advice and the number of cases in which Government have not consulted the Commission are given for the latest five years in Annexure - XI.
